**POGEE
CONFERENCE**

15th International Conference for Oil, Gas
& Energy Industry

22nd June 2019 | Karachi Expo Centre

CALL FOR
PAPERS

“ENERGY
TRANSFORMATION:
Past, Present & Future”

INDUSTRY OVERVIEW:

Pakistan's energy requirements are increasing every year with a growing gap between the energy demand and its supply. To fully realize its economic potential for meeting the energy needs, the country requires an adequate energy security plan with maximum utilization of indigenous resources and the development of renewable sources as part of the overall energy mix.

CONFERENCE OVERVIEW:

POGEE Conference is the leading event for the global Oil, Gas & Energy industry and it brings in key energy experts and professionals around the globe and recognized a must attended Energy event.

2019 PROPOSED PROGRAM

The program committee invites you to submit proposals for discussion on the following suggested topics and also welcomes original research contributions:

TOPICS TO BE COVERED:

- LNG for transportation
- Liquefaction
- LPG - Floating storage, re-gasification and processing

- Coal Mining and Reclamation
- Clean Coal and Gas to Fuels
- Coal Bed Methane and Shale Gas
- Consuming new methods to electrify industry
- Oil Refining Operations
- Global Oil and Gas Reserves
- Modelling of Renewable Energy Sources and Storage Technologies
- Optimization of conventional energy resources
- Optimisation of power plants
- Sustainable energy production
- Responsibility of Regulatory Authority en route for Sustainable Energy & Power
- Energy Production Impact on the Environment
- Smart Grids
- Nuclear Energy Safe Utilization
- Waste-to-Energy
- Energy and Law
- Engineering, Procurement and Construction (EPC)
- Prospects for Regional Energy Trade through CPEC

BENEFITS OF PARTICIPATION - AS A SPEAKER

- Address a highly interactive forum where industry leaders gather to exchange key industry knowledge
- Share your valuable experiences
- Reach a highly targeted and focused audience
- Cater to the challenges by interacting with industry professionals and drive new solutions

WHO WOULD ATTEND?

- Government Officials
- Executives from Mining, Refining, Supply & Distribution Industries
- Geological Specialists
- Government & Private Trade Executives
- Research & Development Scientists
- Independent Power Producers
- Power Industry Project Developers
- Consultants & Technologists
- Logistics Operators & Suppliers
- Media Representatives
