14th International Conference for
Pakistan's Oil, Gas & Energy Industry

12th May 2018
Expo Centre Lahore

**TRANSFORMING ENERGY
INTO SUSTAINABLE
GROWTH**

**CALL FOR
PAPERS**

INDUSTRY OVERVIEW

Pakistan's Energy sector is playing an important role to the country's economy. Industry players can be its true benefiter and can provide solutions which will be in return beneficial to Pakistan. The government of Pakistan is more focused and giving high priority to the energy sphere and is considering proposals for Transnational Gas Pipelines, Coal Fired Power Plant and Alternative Energy to meet the local demands along with onward supplying to the other regional markets while promoting regional cooperation.

CONFERENCE OVERVIEW

POGEE Conference is the leading event for the global Oil, Gas & Energy industry and it brings in key energy experts and professionals from around the globe. It is also recognized as a must attended Energy event.

PROPOSED PROGRAM

The program committee invites you to submit proposals for discussion on the following suggested topics and also welcomes original research contributions:

TOPICS TO BE COVERED:

- LNG a Key Fuel / LNG a Global Commodity
- Worldwide LPG Market Review & its Ways
- Energy Production Impact on the Environment
- Low Rank Coal Utilization
- Exploration and Production and its Challenges and Opportunities
- Unrestrained Shale Gas Emissions
- Smart Grids
- Waste-to-Energy
- Economic Viability of Alternative Energy Systems
- Renewable Energy Storage Technologies
- Energy and Law
- Engineering, Procurement and Construction (EPC)
- Responsibility of Regulatory Authority en route for Sustainable Energy & Power
- Pakistan as an Energy Transit Corridor for Energy Surplus and Energy Deficit Countries
- Prospects for Regional Energy Trade through CPEC
- Regional Frameworks focusing on Energy and Development
- Affordable and Sustainable Supply of Energy for Poverty Alleviation

BENEFITS OF PARTICIPATION - AS A SPEAKER

- Address a highly interactive forum where industry leaders gather to exchange key industry knowledge
- Share your valuable experiences
- Reach a highly targeted and focused audience
- Cater to the challenges by interacting with industry professionals and drive new solutions

WHO WOULD ATTEND?

- Government Officials
- Executives from Mining, Refining, Supply & Distribution Industries
- Geological Specialists
- Government & Private Trade Executives
- Research & Development Scientists
- Independent Power Producers
- Power Industry Project Developers
- Consultants & Technologists
- Logistics Operators & Suppliers
- Media Representatives
