COMMENTS & FEEDBACK

“The 10th Pakistan Oil, Gas & Energy Conference 2014 on 29th May in Expo Centre Lahore was well organized and well attended by various stakeholders from Academia, Industry and Government sectors. The panel discussion session was very well planned representing speakers from the Mining, Gasification, Industrial Applications and Energy Logistic areas.”

Dr. Mohammad Bilal Khan, Dean CES-NUST

“In my considered opinion, the conference was very successful. The selection of relevant professionals as presenters from different fields displayed professionalism of the organizers. This was the prime reason that participants took keen interest and participated in the debate and discussion enthusiastically. The overwhelming response by the audience on local coal utilization for power generation was very encouraging.”

Prof. Dr. Shahid Munir, Director, Centre for Coal Technology, University of the Punjab

“It was a great pleasure to attend the POGEE conference which was very well arranged and informative.”

Aamir Aqil, General Manager, Bhanero Energy Ltd(Umer Group Of Companies)

It was wonderful experience of participating in POGEE 2014 held at Lahore. The conference and exhibition was well organized and provided valuable opportunity to have interaction with so many national and international companies dealing in energy and power sectors for mutual benefits. Thank you and look forward to meet again in such conference.
